Consistency through Connections that Build Commitment

Building a stronger undergraduate experience, rooted in sisterhood, mentorship, and support.

Guiding Principles

- **Unity:** Strengthen bonds between undergraduate chapters to build a united Sigma Front.
- **Strength:** Empower sorors to lead with confidence, grace, resilience, and purpose.
- **Love:** Cultivate genuine connections grounded in compassion, mentorship, and support.

Core Goals

- Unite undergraduate chapters through communication, collaboration, and shared initiatives that still celebrate differences.
- Build a mentorship pipeline connecting undergraduates with professional and personal growth mentors.
- Create leadership, job, and social fairs with field-specific speakers, panels, and internship awareness.
- Increase engagement and retention through programs that elevate the undergraduate experience.
- Strengthen support and funding, including buddy systems, travel resources, and room-share assistance.

Proven Strategies

- Pilot programs in key cities.
- Chapter listening tours and virtual leadership conversations.
- Visibility for undergraduate excellence across platforms.

Programs that Create Impact

- Youth mentorship bridges connecting undergraduates, Rhoers, and local schools.
- Enrichment opportunities such as college tours, museum visits, and career shadowing.
- Mentor development opportunities through workshops, outings, and conferences.

Mental Wellness Matters

A culturally aware, affordable mental-health resource, offering virtual sessions and trusted support from counselors who understand our lived experiences.

The Impact We're Building

- A united undergraduate sisterhood
- Stronger mentorship pipelines
- Inspired and prepared leaders
- Greater engagement and membership
- More resources flowing to undergraduate chapters

Together, we build consistency. Together, we create connection. Together, we honor our commitment.
